

The rule about car eligibility for 1600cc Bangers is as follows.

1. Any right-hand 2 wheel drive saloon, hatchback or estate car with a steel body with an engine size not exceeding 1600cc, with either carburettors or Multi Point Injection or Diesel. (As with all National Bangers no Twin Tops or Soft Tops are allowed)

Exceptions to this rule are the following vehicles which are not permitted: Vauxhall Tigras, Vectra, Vauxhall Insignia, Ford Mondeo, any car which is eligible for Micro Bangers and any type of Van. We will be constantly monitoring the formula and any new vehicle not within the spirit of the formula can be ruled out at any point.

2. Cars must be made in upto 1600cc form.

All cars must be built to National Banger rules.
